

ANNUAL EMPLOYMENT LAW UPDATE

New governor, new laws and new regulations. We do the research, monitor the court decisions, and analyze all of the new laws and regulations the federal and state government is throwing at employers. This year's update will address the newest developments in:

- The new National Labor Relations Act poster
- Wage-hour compliance
- Harassment, discrimination and retaliation prevention
- Reasonable accommodations and the interactive process
- Managing leaves of absence
- Employer policies and procedures
- Other key workplace law issues, including the new IRS independent contractor "amnesty" program

As always, the session will be interactive and allow plenty of time for questions! Treats will be provided.
