

ANNUAL EMPLOYMENT LAW UPDATE

In this seminar, we will provide practical and up-to-date information on the new laws taking effect in 2011, and court decisions involving cutting-edge employment law issues, such as:

- Wage-hour compliance, including travel time, meal period exemptions, rules for unpaid internships, and paid leave for organ/bone marrow donation
- Harassment, discrimination and retaliation prevention
- New workers' compensation and Pregnancy Disability Leave regulations
- Reasonable accommodations
- Managing leaves of absence and the interactive process
- Employer policies and procedures
- Upcoming federal legislation, including potential independent contractor changes

We will update the topics to be covered as new laws and court decisions emerge. This session is interactive and allows time for questions!

“Jennifer creates an awesome presentation and makes the session fun while still informative.
