

## ANNUAL EMPLOYMENT LAW UPDATE

New governor, new laws and new regulations. We do the research, monitor the court decisions, and analyze all of the new laws and regulations the federal and state government is throwing at employers. This year's update will address the newest developments in:

- Wage-hour compliance,
- Harassment, discrimination and retaliation prevention
- Reasonable accommodations and the interactive process
- Managing leaves of absence
- Employer policies and procedures
- Other key workplace law issues

As always, be prepared for an interactive session with plenty of time for questions!
